

1.  We celebrate Scotland's makers as a diverse, inclusive, pioneering force for quality.

2.  We identify craft as a contemporary and traditional art form and as a creative industry.

3.  We share our resources and we are collectively responsible for acting on our own ideas.

4.  We strive for fair access to craft and making for all.

5.  We develop pioneering minds through lifelong learning.

6.  We support new models for promoting craft commercially and artistically.

7.  We nurture audiences.

8.  We recognise craft as a leader in ethical, environmental and sustainable business practice.

9.  We identify makers as enterprising entrepreneurs.
